

COMMITTEE REPORT

MR. PRESIDENT:

The Senate Committee on Rules and Legislative Procedure, to which was referred Senate Bill No. 235, has had the same under consideration and begs leave to report the same back to the Senate with the recommendation that said bill be amended as follows:

- Delete everything after the enacting clause and insert the following:
- SECTION 1. IC 20-1-1-7 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 1999]: Sec. 7. The state board of education shall do the following:
 - (1) Establish the educational goals of the state, ~~developing~~ **including academic** standards and objectives for local school corporations.
 - (2) Assess the attainment of the established goals.
 - (3) Assure compliance with established standards and objectives.
 - (4) Make recommendations to the governor and general assembly on the educational needs of the state including financial needs.
- SECTION 2. IC 20-1-22 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JULY 1, 1999]:
 - Chapter 22. Twenty-First Century Achievement Schools**
 - Sec. 1. As used in this chapter, "board" refers to the Indiana state board of education established by IC 20-1-1-1.**
 - Sec. 2. As used in this chapter, "exclusive representative" has the meaning set forth in IC 20-7.5-1-2(l).**
 - Sec. 3. As used in this chapter, "governing body" has the meaning set forth in IC 20-6.1-1-3.**
 - Sec. 4. As used in this chapter, "school" refers to a school within a school corporation.**
 - Sec. 5. As used in this chapter, "school achievement plan" refers to a plan for a school that meets the following requirements:**
 - (1) The plan is established as described in section 8 of this chapter.
 - (2) The plan is focused on ensuring that all students in the school meet the standards developed under IC 20-15.
 - (3) The plan includes at least the following:
 - (A) Achievement objectives for the school established

under section 9 of this chapter.

(B) The components listed in section 11 of this chapter.

Sec. 6. As used in this chapter, "twenty-first century achievement school" means a school that:

- (1) establishes a school achievement plan under this chapter; and
- (2) has full accreditation status under IC 20-1-1.2.

Sec. 7. The twenty-first century achievement schools program is established for the purpose of ensuring that all Indiana public schools:

- (1) establish high educational academic standards for themselves that meet or exceed the educational academic standards developed under IC 20-15;
- (2) make school achievement plans to meet the high educational standards that the schools have established for themselves; and
- (3) have the local control and flexibility necessary to achieve optimal levels of student achievement that meet or exceed the high educational academic standards developed under IC 20-15.

Sec. 8. (a) A committee of persons interested in the school, including administrators, teachers, parents, and community and business leaders appointed by the governing body, shall develop each initial and revised school achievement plan.

(b) The following apply to a school achievement plan under this chapter:

- (1) The committee described in subsection (a) must submit the initial school achievement plan to the school's governing body by March 1 of the school year prior to the year of implementation.
- (2) To establish an initial school achievement plan or to revise a school achievement plan, the governing body must approve the school achievement plan. The plan is established when written evidence of approval is attached to the plan. An initial school achievement plan must be established by June 1 of the school year prior to the year of implementation.
- (3) A school achievement plan:
 - (1) shall lay out objectives for a three (3) year period; and
 - (2) may be reviewed and revised more frequently to accomplish the achievement objectives of the school.

Sec. 9. A school achievement plan must establish objectives for the school to achieve. These achievement objectives must be consistent with IC 20-15 and include improvement in at least the following areas:

- (1) Attendance rate.
- (2) The percentage of students meeting standards established under IC 20-15, including the percentage of students scoring above essential skills standards under the ISTEP program (IC 20-10.1-16).

(3) For a secondary school, graduation rate.

Sec. 10 A school achievement plan may provide a school with the authority to suspend the following:

(1) A rule adopted by the board, except for a rule that is characterized as follows:

(A) The rule relates to the health or safety of students or school personnel.

(B) The rule is a special education rule under 511 IAC 7.

(C) Suspension of the rule brings the school into noncompliance with federal statutes or regulations.

(2) A statute or rule that relates to the following:

(A) Curriculum.

(B) Textbooks.

Sec. 11. (a) A school achievement plan must contain the following components for the school:

(1) A list of the statutes and rules that are suspended from operation under the authority of section 10 of this chapter.

(2) A description of the curriculum.

(3) A description of the assessments that will be used in the school in addition to ISTEP assessments.

(4) A community wide strategy for meeting the academic standards established under IC 20-15 and achieving the objectives established under section 9 of this chapter.

(5) A report to be issued to the board and made available to all interested persons in an easily understood format.

(6) A demonstration of community support for the school achievement plan.

(7) A plan to maximize parental participation in the school.

(8) For a secondary school, a plan to do the following:

(A) Offer courses that allow all students to become eligible to receive academic honors diplomas.

(B) Encourage all students to earn academic honors diplomas.

(9) A plan to maintain a safe and disciplined learning environment for students and teachers.

(10) A plan for technology and professional development initiatives.

(b) If, for a purpose other than a school achievement plan under this chapter, a school has developed materials that are substantially similar to a component listed in subsection (a), the school may substitute those materials for the component listed in subsection (a).

Sec. 12. The department shall act as a clearinghouse for school achievement plans and make effective school achievement plans available to school corporations as models to use in carrying out school achievement plans.

SECTION 3. IC 20-10.1-16-13 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 1999]: Sec. 13. (a) Beginning with the class of students who expect to graduate during the 1999-2000 school year, each student is required to meet:

- (1) the educational proficiency standard tested in the graduation examination; and
- (2) any additional requirements established by the governing body;

to be eligible to graduate.

(b) Beginning with the class of students who expect to graduate during the 2002-2003 school year, each student is required to meet:

- (1) the educational proficiency standard tested in the graduation examination;**
- (2) the Core 40 requirements adopted by the board under IC 20-10.1-5.7; and**
- (3) any additional requirements established by the governing body;**

to be eligible to graduate.

~~(b)~~ (c) A student who does not meet the educational proficiency standard tested in the graduation examination shall be given the opportunity to be tested during each semester of each grade following the grade in which the student is initially tested until the student achieves a passing score.

~~(c)~~ (d) The board shall develop and adopt a procedure to enable students who:

- (1) undergo the graduation examination; and
- (2) do not receive a passing score on the graduation examination;

to appeal their particular results. The rules adopted by the board must provide for the specific eligible bases for which an appeal may be made and must include as one (1) basis for which an appeal may be made the submission by the appellant student of written evidence indicating that the student's teacher in areas tested by the graduation examination and principal, in their professional judgment, believe that the student's graduation examination results do not accurately reflect the student's attainment of the educational proficiency standard.

~~(d)~~ (e) A student who does not meet the educational proficiency standard tested in the graduation examination may:

- (1) have the educational proficiency standard requirement waived; and
- (2) be eligible to graduate;

if the principal of the school the student attends certifies that the student will within one (1) month of the student's scheduled graduation date successfully complete all components of the Core 40 curriculum as established by the board under IC 20-10.1-5.7-1.

~~(e)~~ (f) The state board of education shall determine the appropriate grade during which a student may initially undergo the graduation examination. The grade established under this subsection must be higher than grade 9.

SECTION 4. IC 20-10.1-16-6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 1999]: Sec. 6. (a) The ~~department~~ **gateway education standards commission established under IC 20-15-2-1** shall develop educational ~~proficiency statements~~ **academic standards** for the following subject areas:

- (1) English/language arts.

- (2) Mathematics.
- (3) ~~Social studies:~~ **History.**
- (4) Science.
- (5) ~~Other subject areas as determined by the department:~~
Government.

(b) The department shall revise and update the educational proficiency statements in each subject area listed in subsection (a) at least once every six (6) years. This revision must occur on a cyclical basis that coincides with the textbook adoption cycle established in ~~IC 20-10.1-9-4.~~ **recommend to school corporations curricula that conform to the academic standards established under this section.**

(c) The state superintendent shall appoint a proficiency statements overview committee for a subject area during the period when the subject area is undergoing revision. A proficiency statements overview committee has fifteen (15) members selected as follows:

- (1) Eight (8) persons who are teachers practicing in the subject area being revised on the date of appointment.
- (2) Two (2) members who are parents of school age children.
- (3) Two (2) members, each of whom is a school superintendent, a school corporation curriculum director, or a principal.
- (4) Two (2) members who represent the business community.
- (5) One (1) member who is a member of the faculty in the subject area being revised at an institution of higher education that prepares teachers in the subject area.

(d) A proficiency statements overview committee shall do the following:

- (1) Advise the department on the revision process under this section.
- (2) Recommend changes to the educational proficiency statement for the committee's subject area that enhance the goals identified in the educational proficiency statement.
- (3) Submit recommendations to the state standards task force for the task force's review.

(e) In fulfilling its responsibilities under subsection (d), the proficiency statements overview committee shall consider proficiency statements developed by:

- (1) other states;
- (2) national organizations in the United States; and
- (3) other countries.

(f) As necessary, the department shall revise and update the educational proficiency statements of subject areas other than those listed in subsection (a)(1) through (a)(4).

(g) The curriculum program of a school in a school corporation must be consistent with the following:

- (1) The educational proficiency statements.
- (2) The student competencies developed for the Core 40 college preparation curriculum models established under IC 20-10.1-5.7.

- (C) One (1) individual who is currently employed as the principal or administrator of a school corporation.

- (D) Two (2) individuals, each of whom is the parent of a child enrolled in a school corporation.

- (E) Three (3) individuals, each of whom is a representative of business and industry.

- (4) The president pro tempore of the senate, with the advice of the minority leader of the senate, shall appoint two (2) senators, who may not be members of the same political party.

- (5) The speaker of the house of representatives, with the advice of the minority leader of the house of representatives, shall appoint two (2) representatives, who may not be members of the same political party.

(c) The term of a member other than the governor or the state superintendent is two (2) years.

Sec. 4. The commission may contract with an individual, a group, or other entity with expertise in education to assist the commission in:

- (1) developing academic standards;

- (2) reviewing and affirming methods of assessment and acceptable performance levels; and

- (3) monitoring performance.

Sec. 5. The affirmative votes of a majority of the voting

members of the commission are required to take action on a measure.

Chapter 3. State Model Academic Standards

Sec. 1. (a) Not later than July 1, 2000, the commission shall develop and publish state model academic standards in the following areas for each grade level and for graduation:

- (1) English and language arts (including reading and writing).
- (2) Mathematics.
- (3) Science.
- (4) History.
- (5) Government.

(b) The academic standards required under subsection (a) must be:

- (1) presented in a clear, understandable, and jargon free manner; and
- (2) made available to students, parents, teachers, administrators, and other interested persons.

Sec. 2. In developing the state model academic standards, the commission shall:

- (1) consider national and international academic standards, as well as academic standards developed in other states, to ensure that Indiana's academic standards meet or exceed the highest academic standards of other states and nations;
- (2) consider and review the work of past and current proficiency panels concerning proficiencies in English, language arts, mathematics, and other subjects for which proficiencies exist;
- (3) hold not less than ten (10) public meetings in different areas of Indiana to receive testimony from the public concerning the needs of a graduate of an Indiana high school to be a successful neighbor in the state's communities, a successful student in the state's postsecondary educational institutions, and a successful employee; and
- (4) seek recommendations concerning the needs of a high school graduate to be prepared to be a successful college student, neighbor, and employee from:
 - (A) school corporations;
 - (B) educators;
 - (C) postsecondary educational institutions;
 - (D) employers; and
 - (E) members of the public.

Sec. 3. The academic standards approved and published under section 1 of this chapter become effective on December 31, 2000.

Chapter 3. Local Academic Standards

Sec. 1. Not later than June 1, 2001, the governing body of each school corporation shall adopt either the state model academic standards or academic standards that exceed the state model academic standards as the local academic standards for the school corporation.

Sec. 2. (a) Local academic standards may include subject areas for which there are no state model academic standards.

(b) The department shall determine, upon the recommendation of the commission, whether a local academic standard meets or exceeds the academic standards established for the state.

Sec. 3. This article and other provisions in IC 20 may not be construed to deny the governing body of a school corporation the ability to develop and articulate expectations for the students and school personnel of the school corporation that reflect the local aspirations of the community for increased standards of living and quality of life.

Chapter 4. Assessments and Performance Levels

Sec. 1. The department shall develop and the commission shall review and approve recommended assessments and recommended performance levels for each academic standard.

Sec. 2. The department and the commission shall consider national and international assessments, as well as assessments developed in other states, to ensure that Indiana's assessments and performance levels are as rigorous and informative as those of other states and nations.

Sec. 3. An assessment method developed under this chapter:

(1) must:

- (A) measure annual student progress toward educational academic standards;**
- (B) be drawn from sources that ensure the relevance and accuracy of the results of the assessment; and**
- (C) make available to communities and schools common statewide assessment examinations to determine a student's performance level at the end of each school year; and**

(2) may include:

- (A) existing or modified standardized tests;**
- (B) assessment opportunities at the beginning and end of each school year to assist a student's teacher in understanding student deficiencies and determining student progress;**
- (C) cumulative performance information for students; and**
- (D) any other valid and reliable means of assessing a student's performance.**

Sec. 4. The department shall ensure that the statewide exit examination developed under IC 20-10.1-16-13 is consistent with the standards and assessments developed under this article. The results of the examination:

- (1) may be used as a career planning tool or an admission requirement for postsecondary educational institutions; and**
- (2) may be requested by prospective employers.**

Chapter 5. Curriculum

Sec. 1. The governing body is responsible for the curriculum

of a school corporation.

Sec. 2. A curriculum must meet or exceed the academic standards developed under this article.

Chapter 6. Continuing Commission Oversight

Sec. 1. The commission shall provide continuing oversight for primary and secondary education by doing the following:

(1) Continuously reexamining the acceptable performance levels to ensure that students are prepared to become successful in postsecondary education, employment, and citizenship.

(2) Receiving and reviewing local standards.

(3) Receiving and reviewing performance information of each school, school corporation, and the state. The performance review required under this subdivision includes the authority to audit a school or school corporation to ensure the accuracy of the information reported.

(4) Biennially reviewing the state educational standards and, if necessary, following the procedures of IC 20-15-3 to recommend revised standards.

Sec. 2. Beginning with the 2001-2002 school year, the commission shall issue an annual report on the progress of schools and school corporations in educating students to meet the standards developed under this article. The annual report required under this section must be:

(1) issued not later than July 1 of each year;

(2) disseminated throughout the state; and

(3) made easily available to the public in both printed and electronic formats.

Sec. 3. (a) The commission shall conduct at least one (1) meeting annually to receive information from the public concerning:

(1) standards;

(2) assessments;

(3) acceptable performance levels;

(4) school or school corporation performance; and

(5) issues related to standards, assessments, and performance levels.

(b) The commission shall give public notice of the meeting not less than thirty (30) days before the meeting occurs.

SECTION 6. THE FOLLOWING ARE REPEALED [EFFECTIVE JULY 1, 1999]: IC 20-1-1-6.3; IC 20-10.1-4.1.

SECTION 7. [EFFECTIVE JULY 1, 2000] (a) Notwithstanding any other law, on July 1, 2000, a public school that is designated as an Indiana school academic improvement program school under IC 20-1-1-6.3, as repealed by this act, is designated as a twenty-first century school under IC 20-1-22, as added by this act.

(b) This SECTION expires July 2, 2000.

SECTION 8. [EFFECTIVE UPON PASSAGE] (a) Not later than July 1, 1999, the governor, the state superintendent of public instruction, the president pro tempore of the senate, and the

III speaker of the house of representatives shall make appointments to
 III the gateway education standards commission for the twenty-first
 III century established under IC 20-15-2, as added by this act.
 III (b) This SECTION expires December 31, 1999.
 III SECTION 9. An emergency is declared for this act.

(Reference is to SB 235 as introduced.)

and when so amended that said bill be reassigned to the Senate Committee on Education.
